

# Christmas Saving day

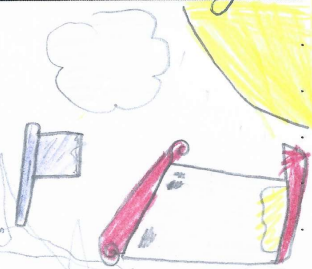

"Hey genius!" said a voice from outside. Layah peered from her bedroom window down onto the gravel driveway at the front of their house. While she was peering out of her window Henry her not so clever brother was stood balancing a green Christmas tree on his head.

Quickly, Layah hurried down the stairs and out of the living room bumping into...

Grandad!! "Oh phew sorry!" said Layah. "Henry, let's watch some TV." said Layah. "Oh No!!! James Rixson is out of jail!" They go upstairs and get dressed in a Santa outfit because... they were going to the North Pole.

"Layah, I made a new invention!" said Grandad. "It's a... build rebuilder!" Shouted Grandad. "can I use it please Grandad?" said Layah. "course. OK here," said Grandad. They got in the Lambro and boom they were there. "OK Where here!" said Layah. Meanwhile... James Rixson had got a wooden shing axe and broke the white sleigh and... "On Friday its Christmas," said Layah and Henry.

"Oh No. He broke the sleigh!" Shouted Layah. "Don't worry we have got the build rebuilder!" said Henry.

"Oh yes!" replied Layah.

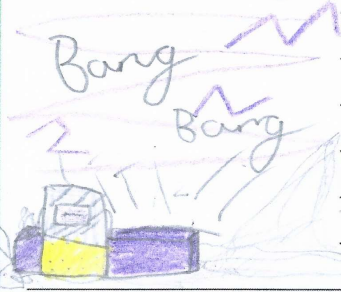

"We need to get wood and paint." Said Layah.

"And screws!" said Henry. "Oh yes." said Layah.

Layah grabbed a silver axe went to the woods then chopped some oak wood and said "Meet me at the broken sleigh."

"OK!" replied Henry. Henry went to the coloured paint shop

and got screws too. They met at the sleigh. "OK," replied Henry. So put the stuff in the machine and take a photo of the broken sleigh. "Said Layah. "OK" replied Henry. Then the big machine made two bangs and... Pow Pow... "OMG!"

Shouted Layah. There's big big coloured sleigh but... "Oh No!" Shouted Layah. "Santa!" said

Henry. "Thank you for building my sleigh!" Shouted Santa. "It's

OK!" said Henry. "Let's go get nasty Rixton." said Layah. "OK!"

Shouted Henry. They walk to the red light. They spotted James Rixton and chased him. They pinned him down and

Henry found a shiny sword and Layah was pinning him down and Henry got the shiny sword and... Stabbed him and sadly died. Pow Pow "He Hee!" Shouted Henry.

"Thank you so much!" Shouted Santa.

"Can I come with you in my white sleigh?" asked Santa. "Yes

you can!" exclaimed Layah. Then they walked back to the sleigh. "Hop

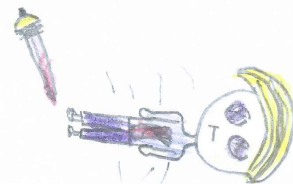

in!" said Santa. Then they flew back home in the wind. Pow...

They are home in a flash!

"Granddad your amazing invention

he hee!

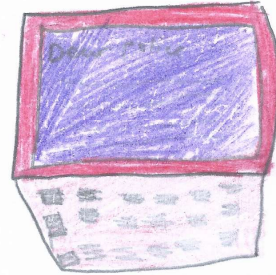

Worked so much!" Should Layah. Layah went down in  
 the white basement. "Let's post a comment on the Web to  
 the police." Henry went to eat and the  
 Letter said:

Dear police:

I got rid of James Ruxton. Don't ask  
 why, but you you don't have to worry  
 about Christmas. Everybody is getting their presents big  
 and small and . . . .

Merry Christmas to you!!!
